

Welcome!

PowerStart software by HighPower Data will give you a quick start on managing your business.

You'll need a copy of Filemaker to run it on your computer. (<https://www.claris.com/filemaker/>)

If you need this software customized for your special business needs, please contact us for an estimate. (<https://highpowerdata.com/contact-us/>)

If your company outgrows the use of this software on a single computer and you need to run the program on a network, please contact us. We can provide discounted Filemaker networking services.

User Manual

HighPower PowerStart is software for entrepreneurs and business owners who need a simple contact management and invoicing system for their business, but don't want to spend time and money creating it. With the ability to track Contacts, Companies, Estimates, Jobs, Invoices, and Inventory, the software provides everything needed to manage a business

The side by side structure of *PowerStart* menu is straight-forward with eight tabs:

- Contacts
- Companies
- Estimates
- Jobs
- Invoices
- Inventory
- Staff
- Settings

Summary: name, address, phone and email of all individuals or company contacts, including a communication log, notes, and document containers.

Page 3 of 11

Summary: all necessary contact information and notes. Includes tracking in five categories:
Communication, Documents, Estimates, Jobs, and Invoices.

STIMATES

Summary: dated, itemized estimates for each company including item, quantity, item price, and Total. Each estimate can be saved as a PDF and printed as needed.

The screenshot displays the HighPower Data Solutions software interface. The top navigation bar includes links for Contacts, Companies, Estimates, Job, Invoices, Inventory, Staff, and Settings. The main window shows an estimate form for '1DIS Est. July'. The form includes fields for Company, Estimate Date, and Sent. A table lists items with their quantities, item prices, and totals. A sidebar on the right contains buttons for 'New Estimate', 'Delete Estimate', and 'Save As PDF'. A PDF preview window is open in the foreground, showing the printed version of the estimate.

Estimate Form Data:

Item	Quantity	Item Price	Total
Bystolic	4	\$74.05	\$296.20
Fluoxetine HCl	17	\$88.22	\$1,499.74
Hydrochlorothiazide	81	\$63.37	\$5,132.97
